Happy 10th Anniversary Birthday Hone!

On January 5th 2022, I will be celebrating being in business for 10 years!

I am so proud of this achievement and very lucky to have such amazing, loyal clients, some of whom have been with me since the beginning! I created Hone Male Grooming and opened my first salon room at Groom on the Green on January 5th 2012. I've grown steadily

over the years and loved my time at The Barbers Lounge too. But it's time for me to have my very own salon!

I had planned to hold an open day but due to COVID restrictions I have decided against this for the time being sadly.

Thank you for all your continued support throughout this year. Have a lovely Christmas and New Year! HoHoHone!
