CURRENT PRICES

Please click on the male or female link, which show my current prices. If you have any financial issues, please chat to me confidentially to spread your appointments or if you need a break from your treatments.

Reviews please!

If you have a Google account, please do me a huge favour and log in, search for Hone Waxing & Sugaring and click on "Write a review". Or if you're on Facebook, you can also leave a review for me on there. Or if you prefer to stay anonymous, write a text or email to me so I can add it to my website. Thank you.

SALON CLOAKROOM ETIQUETTE

There are now grey flannels for drying hands after washing - I am being more environmentally friendly. If you use an intimate wipe, please place it in the bin provided and **do not** flush it down the toilet.

AFTERCARE IS SO IMPORTANT!

I will always care for your skin while you're with me, but please take care of it in-between appointments. Remind yourself how by clicking this link. The Ruff Stuff Body Scrubs & Oils and Outback Lotions are perfect for helping to prevent ingrown hairs and spots as well as keeping your skin super smooth and smelling gorgeous! There's a new Pumpkin Spice scrub with Cinnamon and Clove - purchase a tub at your next appointment.

12th Anniversary

On 5th January 2024 I will have been in business for 12 years! And in my home salon for 2 years. I am so grateful to still have a busy, successful business and so lucky to have so many lovely, loyal clients!

Thank you!
